

**GLOBAL  
NEXTLEADERS  
FORUM**

## **GNLF2022 Application Requirements**

November 1st, 2021

Global Next Leaders Forum is an organization which aims to create a platform where "global leaders" grow. We believe these "global leaders" who have the capacity to accept others will play vital roles in the future. To achieve this aim, we provide university students around the world an opportunity to understand the difference between one and another.

### **GNLF2022 Overview**

We will hold an international students' forum online.

Subject: Education

Participants will mainly share their ideas and issues regarding the relationship between society, science and technology.

**Term: February 5, 6, 12, 13, 19, 20, 26, 27, 2022**

**21:00 ~23:00, JST**

**(Saturdays and Sundays)**

### **Requirements for Application:**

Undergraduate and graduate students are eligible to apply. (Undergraduate year 1 and 2 are suitable to equal the professional knowledge degree.)

As GNLF is an academic international students' forum and also an international exchange event, we want a student who:

1. has a will to participate actively as a representative of the country
2. has a will to eagerly enjoy exchange with all the participants
3. is interested in this year's subject, 'education'
4. will follow all rules decided necessary by the GNLF management team during the forum (in order of priority)

Please be aware that participants should let the GNLF management team know beforehand if they have special circumstances to notify.

If you wish to apply, please fill in the 'Entry Sheet' on Google Form, and submit it.
